

## **Lighthouse Writers' Conference and Retreat Request for Workshop Proposals**

We seek a diverse range of genres, voices, and experiences on the conference's theme of *urgency*. How do we build momentum in our writing? What is it that needs to be said and how do we communicate in a form that resonates with readers? What makes a piece of writing feel pressing, urgent, important, and what gives a piece the power to affect its audience?

If you wish to present a workshop, please respond to the call for proposals by submitting a title and a brief summary by December 17, 2018 to Sarah Townsend, Co-Coordinator LWC&R, [sarahtown@gmail.com](mailto:sarahtown@gmail.com). Applicants can expect a response by December 24th, 2018. Complete workshop descriptions, title, handouts and a brief biography are due by January 1, 2019. LWC&R will assist in making copies of materials (limit 10 pages) for each individual workshop.
